**Derek Hill Named Corporate Accounts Manager  
for InfuSystem, Inc.**

**MADISON HEIGHTS, Michigan – May 31, 2011 - InfuSystem Holdings, Inc. (NYSE AMEX: INFU)**, the leading provider of infusion pumps and associated products and services in the US and Canada, has appointed Derek Hill as Corporate Accounts Manager. Hill was formerly the Northwest Region Manager for Baxter Healthcare where he led the integration of Baxter and Sigma sales teams to a new Baxter record for sales in the region, after Baxter acquired Sigma, LLC. He had been managing the #1 region for Sigma, LLC as their Director of Western Sales.

“Derek Hill brings an outstanding breadth of successful sales experience, having been at the forefront of major developments with leading companies in the infusion business,” announced Sean McDevitt, Chairman and CEO of InfuSystem. “He has the credibility that comes with high achievement at every level, in every infusion segment we serve.”

Hill was also a Regional Business Manager for Smiths Medical, where he had the #1 region in 2004 and was Regional Manager of the Year in 2005. Prior to that, he was a Senior Sales Representative with Sims-Deltec where he was Rookie of the Year and served on the President’s Council for five straight years.

Hill will report to Tom Ruiz, Vice President of Sales at InfuSystem. “Derek has pharmaceutical experience and a technical background that complements his ability to work with hospitals and other complex infusion environments. His client references and referrals are a testimony to his customer-first philosophy,” stated Ruiz.

#####

InfuSystem is a leading provider of ambulatory infusion pumps to the outpatient oncology market as well as new and pre-owned infusion pumps and other biomedical equipment, and biomedical recertification, maintenance and repair services to hospitals, oncology practices and other alternate site health care providers. Headquartered in Madison Heights, Michigan, InfuSystem delivers local, field-based customer support and operates Biomedical Service Centers of Excellence in Kansas City, Los Angeles and Toronto.
